Hello,

The USAC Client Service Bureau has created the following case:
Nickname: LFA erate
Description: LIVING FAITH ACADEMY (BEN: 16075990) - LFA erate -
Form # 161056963 I completed the form 471 but received an error
code that I didn't answer the connectivity questions. I went back
through the entire application several times and each time a page was
displayed with questions about connectivity but provided no ability to
answer them. I proceeded to the certification page and clicked on
certification button and I was taken to the landing page. I now see
that our form was never certified. Please help me correct this problem.
Thanks

Case #92259, Attn John W

SLD Problem Resolution Mailbox <SLDPR@GDIT.com>

Rose,

You still need to answer your connectivity questions.

To answer your connectivity questions, please follow these instructions:

1. Click on the USAC logo on the top left of the page.
2. Click on your entity.
3. On the left hand side of the page, click on Related Actions.
4. Scroll down until you see Manage Connectivity Questions.
5. Click on Manage Connectivity Questions, answer them and resume filing your FCC Form 471.

You will be able to continue with your certification after you complete these.

Unfortunately, the FCC Form 471 filing window deadline for Schools was yesterday.

If you have missed the FY2016 Form 471 Filing Window deadline, there is not an available procedure to request an extension from USAC; however, you can submit a waiver request to the FCC. A waiver is a request to waive an FCC policy, rule, or deadline such as the FCC Form 471 application filing window deadline. For example, if you missed the filing deadline for FCC Form 471 because of extenuating circumstances, USAC cannot waive the deadline but you can ask the FCC to waive the rules in your case by filing a waiver request with the FCC.

For complete instructions, please see the January 15, 2016, News Brief: <http://www.usac.org/sl/tools/news-briefs/preview.aspx?id=657>. Scroll down to the heading "All waiver requests filed at FCC."

If you have any additional questions, please contact the Schools and Libraries Helpline at 888-203-8100.

Thank you,
